

The maze of thirst!

Find a path through the maze to reach the refreshing water!
But be careful, you can only pick up 1 fruit juice or fizzy drink on your way out.

Fruit juices and fizzy drinks are a great treat now and then!

There is no harm in having a soft drink occasionally, but on a daily basis, drink water frequently.

Water is what your body needs...

Eat fruit rather than drinking fruit juice!

The maze of thirst!

Solutions

You reached the exit and only had 1 fizzy drink!

You found the way out and only had 1 fruit juice!

Well done! You managed to get to the big glass of fresh water without stopping!

Water is the best drink to remain hydrated...

It is natural and does not have any calories!
